Business Services and Software Support

M+A Partners is an independent firm of business advisers, wealth managers and chartered accountants with the experience, technical expertise and vision to help you make the most of your assets.

M+A Partners offers a broad range of services including advice on specialist accounting systems, IT and practical bookkeeping support to help your business run efficiently. Our qualified team combines expert accountancy skills with knowledge of the latest desktop and cloud accounting systems. We can work closely with you to ensure you are maximising the use of technology and running cost-effective accounting systems.

What M+A Partners can do for you:

- + Help you choose the right accounting systems for your business and provide training, advice and support to make it work for you;
- + Provide regular or one-off support to help you manage your accounting records;
- + Undertake systems reviews and recommend improvements; and
- + Produce financial information, including management accounts and forecasts to help you make informed business decisions.

M+A Partners has chosen to work with three leading accounting software providers; **Sage, Quickbooks** and **Xero**. We are fully accredited in each of these systems and can help you with set-up and provide training.

We can supply software and related products, either in isolation or as part of a package including other services such as bookkeeping and VAT returns.

All of our team hold relevant accountancy qualifications and between us have considerable business experience.

How can M+A Partners help you?

- + If you already have an accounting system, **M+A Partners** can carry out a “*Health Check*” to see if you are using it effectively.
- + If you are thinking of changing your accounting system, **M+A Partners** can advise you on the most appropriate solution.
- + **M+A Partners** can provide an “*outsourced Finance Director*” to help interpret your financial information and attend regular meetings. Visits by members of our team can help maintain the quality of your accounting records. Such a review can be especially helpful when VAT returns are due, or prior to a year end.
- + **M+A Partners** can assist with the preparation of financial forecasts and planning your business strategy.
- + All your bookkeeping requirements can be outsourced to **M+A Partners** either as short term emergency cover, or as a permanent solution, providing VAT compliance and management accounts.
