## Growing your business

**M+A Partners** have been offering specialised accountancy services to agricultural businesses and landowners for over a century and during that time we have gained a wealth of experience in dealing with issues faced by the agricultural sector.

From small farms to large estates, our knowledgeable team offers a forward looking, proactive and strategic approach to help you plan for the future.

Our belief is that by asking the right questions we can save you time and money, and with a dedicated, readily available team that works closely with your other advisers, we will deliver the service you need.

## What M+A Partners can do for you:

- + Devote whatever time is necessary to fully understand your situation;
- + Provide specialist advice in areas such as trusts and property taxation;
- + Provide support and guidance to make the most of farm accounting software packages that will benefit your business and give you accurate starting positions at the beginning of each year;
- + Help with IHT planning to ensure a smooth succession of your farm to the next generation by making sure you meet the conditions for Agricultural Property Relief (APR); and
- + Wealth retention and succession planning are becoming more complex with each passing season, our guidance helps with tax planning for now and the future.

## We can advise on:

- + Tax planning for now and the future;
- + Additional business ventures;
- + Changes to business structure;
- + Renewable energy projects; and
- + Entrepreneur's relief.

Please contact one of our specialists to see how you can benefit from our agricultural expertise.
