INSURANCE POLICY

POLICY WORDING

IMPORTANT: This is a 'claims made' insurance, which means we must receive claims during the period of insurance. This Policy insures you. Your clients have no rights against the insurer under this Policy.

The Policy Schedule, Contract, Practice Profile and any other information supplied or requested as part of the proposal are incorporated into this Policy.

The insurer will pay your incurred costs in respect of any insured incident for which cover is shown as operative on your policy schedule, if the premium has been paid.

The insurer will provide cover as long as

- a. we receive your client's claim during the period of insurance; and
- b. any insured incident is within the United Kingdom of Great Britain and Northern Ireland excluding the Isle of Man and the Channel Islands; and
- c. i. for any alleged liability to tax, National Insurance Contributions, underpayment of the National Minimum Wage or any consequent and related penalties, or
- ii. where the client disputes or continues to dispute HMRC's findings, including rejecting a settlement offer

Croner Taxwise are satisfied that the likely costs will be justified by the reduction in the client's liability and/or the benefits likely to be obtained by disputing the findings. When Croner Taxwise are satisfied of this, they will take into account the client's and/or representative's opinion when deciding whether or not to consent to the costs incurred. If the client proceeds without consent and succeeds, the insurer will cover all reasonable fees and disbursements as if consent had been given, subject to the terms and conditions of this Policy.

The most the insurer will pay

- a. for all claims resulting from one or more events arising at the same time or from the same originating cause; and
- b. in respect of your hourly charging rates; and
- c. for claims administration costs

is shown under 'Maximum Amounts Payable' on your Policy Schedule.

CONDITIONS WHICH APPLY TO YOUR POLICY

GENERAL CONDITIONS

1. **Policy administration**
We will administer the Policy on behalf of the insurer.
2. **Compliance**
You must keep to the terms and conditions of your Policy.
3. **Premiums**
Your premium is based on the details of your clients provided at the start and renewal of your Policy and during the period of insurance. You must keep proper records of your Croner Taxwise Premier Professional Service clients and declare them to us accurately and on time. You must allow us or the insurer to inspect this record if required.
4. **Alteration in risk**
You must notify us immediately of any alteration that may materially affect the insurer's assessment of the risk. On receiving notification, Croner Taxwise are entitled to withdraw cover or specify revised terms.
5. **Cancellation**
We or the insurer may cancel your policy by writing to you at least 30 days beforehand.
6. **Differences**
If there is a disagreement arising from your policy that is not resolved through our or the insurer's internal complaints procedures, you may be able to contact the Financial Ombudsman Service for help. Details are available from www.financial-ombudsman.org.uk. Alternatively, the parties in dispute can choose another suitably qualified person to arbitrate. All parties must agree to the choice in writing. Failing this, we will ask the president of a national association relevant to the arbitration to choose a suitably qualified person. All costs of resolving the matter must be paid by the party whose argument is rejected. If the decision is not clearly made against either party, the arbitrator will decide how the costs are shared. These costs will not be recoverable under this policy.
7. **Jurisdiction**
Your policy is governed by English Law and the parties agree to submit to the jurisdiction of the Courts of England and Wales.
8. **Acts of Parliament**
All Acts of Parliament in your policy wording include equivalent legislation in Scotland and Northern Ireland.

 - d. You or the representative must, if we ask, send us any relevant information we require.
2. Representation

We will appoint the representative to act. You have the right to nominate us or another person or firm to act as representative in connection with an insured incident. Any dispute over your choice of person or firm to act as representative may be settled under General condition 6.
3. Control of the claim

We will have direct contact with the representative, who must

 - a. represent your client according to our terms of appointment;
 - b. co-operate fully with us at all times;
 - c. keep us up to date with the progress of the claim;
 - d. take all steps to minimise costs incurred.
4. Early settlement

If you or the representative consents to your client settling or withdrawing from a matter without our consent, which results in the payment of incurred costs, then cover will end at once. The insurer will be entitled to reclaim any incurred costs it has paid or incurred.
5. Option to reimburse

The insurer may pay an amount up to the value of the tax, interest and penalties sought by HMRC instead of incurred costs.

7. Opinions

We may at our discretion require you to obtain an opinion from counsel or other suitably qualified person at your expense as to the merits of a claim or proceedings. If the opinion indicates that there are reasonable grounds to continue with the claim, and we agree, the costs of the opinion will be paid by the insurer.

MAKING A CLAIM

The policyholder must notify Croner Taxwise as soon as reasonably possible, in writing or via the Croner Taxwise Online system, and before incurring fees and disbursements.

If we accept the claim based on the information provided, we will agree a budget with you to do the necessary work and consider your costs based on the agreed budget. If we require you to complete a claim form and/or send us further information to make a decision, we will let you know.

While we await the fully completed claim form and supporting information, you may start work on the matter if necessary. We will consider paying up to the equivalent of five hours' partner time OR £750 (whichever is the greater) incurred before we provide formal acceptance of the claim, subject to other policy terms and conditions being met.

We will normally let you have our claim decision within two working days of receiving the completed claim form and supporting information.

CUSTOMER CARE

If you are not satisfied with any aspect of this Policy or our service, you should write to The Managing Director, Croner Taxwise Limited, Croner House, Wheatfield Way, Hinckley, Leicestershire, LE10 1YG. Alternatively, you can contact us on 01455 639110.

If you wish to put your complaint direct to the insurer, its address is Iwell Insurance Company Limited, 2 Cheetham Hill Road, Manchester, M4 4FB.

If your complaint is not resolved, you can refer it to the Financial Ombudsman Service. You can find more information on its website www.financial-ombudsman.org.uk.

We will agree an initial budget with you, which may be revised at any time. However, you must first telephone or write to us for agreement.

When we confirm acceptance of a claim in writing, we will send you, or another suitably qualified person or firm we have appointed, our Terms of Appointment. These explain the basis on which you, or the other person or firm, are appointed to act as the representative and how to submit payment requests for incurred costs.

If it is possible to recover costs from the relevant authority after successfully defending a claim, the policyholder must take all reasonable steps necessary to recover them. The policyholder must then return to the insurer any indemnity paid.

You may be entitled to compensation from the Financial Services Compensation Scheme (FSCS) if the insurer is unable to meet its liabilities. This depends on the type of business and the circumstances of the claim. Further information about the compensation scheme arrangements is available from the FSCS.
