Making Tax Digital (MTD) for VAT - the final steps

1. Choose the right software for your business;
2. Sign up for Making Tax Digital (MTD) for VAT with HMRC - [Click here:](#)
3. Authorise your software.

Switch to MTD VAT submissions in Sage 50cloud Accounts

Before you can submit your VAT Return under MTD you must switch on the MTD feature in Sage 50cloud Accounts.

Preparation

Before you switch on the MTD feature, check that you have installed and activated Sage 50cloud Accounts v24.2 or above.

Activate MTD for VAT submissions

1. Open the company you want to switch to submitting MTD for VAT.
2. Click **Settings** then click **Company Preferences**.
3. Enter your password then click **OK** and click the **VAT** tab.
4. Click the **Enable Making Tax Digital for VAT submissions** check box, then click **OK**.

When you next **submit your VAT Return** it will submit under the MTD for VAT pilot.

If you would like to receive further detailed information about MTD for VAT using Sage 50 Accounts from our resident expert, please get in touch with:
