Partners

Hello from Attleborough office

We are excited to be sending you the first edition of the M+A Partners, Attleborough newsletter. This newsletter is an opportunity for us to share the latest accountancy and tax updates, along with details of the services and support we are able to provide from our Attleborough office.

We will be in touch with you on a quarterly basis and we hope that you find these newsletters to be a helpful source of information and advice. Should you wish to see any particular topics covered in future issues, we would be pleased to hear from you - simply get in contact with the team using the details at the bottom of this newsletter.

Fifth SEISS Grant

The fifth Self-Employment Income Support Scheme (SEISS) grant is now open, covering the period May to September 2021.

HMRC have published updated information on the eligibility criteria for the fifth grant, including a new 'three step' criteria and a requirement to provide two different turnover figures to determine the grant amount.

Capital allowances

Capital allowances can be claimed when purchasing tangible capital assets to use within a business, enabling the cost to be written off against taxable income.

Businesses are now able to benefit from some significant measures that will allow them to lower their corporation tax bills while helping to stimulate business investment.

Tax and electric vehicles

Company cars usually come with a hefty benefit in kind charge which can often mean that they are not very tax efficient.

However, since company car tax was reformed in April 2020 to an emissions-based system, switching to an electric vehicle is now an attractive proposition.
