# Hello from Attleborough office

---

A new season has arrived and with it comes the latest edition of our Attleborough office newsletter. In this issue we take a look at some of the recent tax and accountancy updates, share our blogs on topical subjects and highlight the current grants and support available for businesses. We also bring you up to date with the news from our Attleborough team.

We hope that you find these newsletters to be a helpful source of information and advice. Should you wish to see any particular topics covered in future issues, we would be pleased to hear from you - simply get in contact with the team using the details at the bottom of this newsletter.

## Making Tax Digital for Income Tax Self Assessment delayed

The start date for Making Tax Digital for Income Tax Self-Assessment (MTD for ITSA) has been delayed for one year and will now be introduced in the tax year beginning in April 2024.

This date has been set in legislation, providing certainty around the timeframe for MTD for ITSA.

## Annual Investment Allowance and reduction of £1m cap

Back in November 2020, the Government extended the £1,000,000 cap on Annual Investment Allowance (AIA) until 1 January 2022.

From 1 January 2022 the cap reduces to £200,000. In this blog, Mary-Anne Sargeant explores the impact on businesses and the AIA restrictions for 2022.

## Making Tax Digital for VAT

There is now just over six months before Making Tax Digital (MTD) for VAT is mandatory for all VAT registered businesses.

MTD will become compulsory for VAT from and including the first VAT return period that starts after 1 April 2022.
